12 Case No. 14-cv-01315-VC

13 **ORDER RE: MOTION TO SEAL**

14 Docket No. 238

15 Segan's motion to seal the courtroom (Dkt. No. 238) is denied without prejudice to  
16 discussing, at the hearing, whether it would be appropriate to seal the courtroom towards the end  
17 of the hearing for a discussion of the attorney work product. (However, the Court is preliminarily  
18 of the view that the courtroom should not be sealed even for that limited purpose.)

19 **IT IS SO ORDERED.**
